

Sunday, Dec 2

1 PM

We want your ideas!

You are invited to help our community in a brainstorming event at **Lutheran Church of the Resurrection** or **Lake Livingston Lutheran Church**. A light lunch will be served.

Churches and Communities Together are looking for ideas that will improve our community. You do not have to be a member of this church or any church. All you need is a willing heart and something to offer – ideas, time, referrals!

Have you ever thought of something that would benefit our community? Come and share it with us. Others may

like your idea and with a little momentum the results can be realized.

Who? What? Why? How?

1) **For whom?** Community members, Businesses, Churches - anyone who is interested in designing the future. Will you share a hope for the future of your church and your community? YES!

2) **Doing what?** Observing and partnering in guided conversations that reveal common interest in working together. Will you share what is important to you and how to improve it? YES!

3) **Why?** To gather with others in our community to search for common ground to help address needs and concerns. Will you participate? YES!

4) **How?** Face-to-face (or online). Register TODAY for **Churches and Communities Together** by sending your name and/or email address to info@healthierchurch.org and let us know how many will attend on December 2.

Come and bring a friend.

**15050 S Central
Oak Forest, Illinois 60452**

**199 FM 3152
Onalaska, Texas 77360**
