

We want your ideas!

You are invited to help our community in a brainstorming event at **Lutheran Church of the Resurrection** (LCR) on Sunday December 2 at 1:00PM. A light lunch will be served.

Churches and Communities Together are looking for ideas that will improve our community. You do not have to be a member of this church or any church. All you need is a willing heart and something to offer – ideas, time, referrals!

Have you ever thought of something that would benefit our community? Come and share it with us. Others may like your idea and with a little momentum the results can be realized.

Who? What? When? Where? Why?

- 1) **For whom?** Community members, Businesses, Churches - anyone who is interested in designing the future. Will you share a hope for the future of your church and your community? YES!
- 2) **Doing what?** Observing and partnering in guided conversations that reveal common interest in working together. Will you share what is important to you and how to improve it? YES!
- 3) **When?** Sunday, December 2 at 1:00PM. Participate in **Churches and Communities Together** led by a local leader with online access to HealthierChurch.org, a 501 (c) (3). Will you be there? YES!
